Welcome to the City of Davenport, the seat of government for Lincoln County. Surrounded by picturesque wheat fields, our city dates back to about 1880, when a man named Harker homesteaded at the head of Cottonwood Creek. Davenport is a growing rural community that boasts a population of close to 1,800. There are plenty of amenities here in Davenport, including city parks, a municipal swimming pool, baseball, softball, and soccer fields, a skate park, a public library, a museum, grocery stores, a hospital, clinic, and much more.

Our city government and employees are here to serve you.

Stop by City Hall at 411 Morgan or call 725-4352.

A great smile

delivered with comfort and compassion

If you're looking for a patient centered practice, you've found the right place. We are dedicated to you.

G What do our patients say about our practice?

"Everybody at Best Impression Dental are genuinely caring, friendly, professional, welcoming, and timely! You will not find a better dentist. I waited years before going to the dentist. They all took me on as a patient and I'm very thankful for each and every one of them. I've had multiple visits now and am 100% pleased with the results. I have never once during the visit or after had any pain at all. They make it all soooooo easy to look forward to going back. I would highly recommend to everybody. The facility is amazing all the way around. Thank You Best Impression Dental!"
