Welcome to the City of Davenport, the seat of government for Lincoln County. Surrounded by picturesque wheat fields, our city dates back to about 1880, when a man named Harker homesteaded at the head of Cottonwood Creek. Davenport is a growing rural community that boasts a population of close to 1,800. There are plenty of amenities here in Davenport, including city parks, a municipal swimming pool, baseball, softball, and soccer fields, a skate park, a public library, a museum, grocery stores, a hospital, clinic, and much more.
